29th NATIONAL CONFERENCE
WITH INTERNATIONAL PARTICIPATION

TELECOM 2021

THE WAYS TO CONNECT THE FUTURE

INVITATION

28 – 29 October 2021
National Science and Technical Centre,
108 Rakovsky St., Sofia

The Organizing Committee and
Conference Organizers
invite you to attend
the 29th National Conference
with international Participation

TELECOM 2021

28 - 29 October 2021

TELECOM is an annual national scientific-technical conference with international participation, covering a wide range of issues in communication systems and state-of-the-art networks – from the theoretical research, to the latest innovations and technical achievements, and successful practical implementations. The aim of the Conference is to create opportunities and help experts and specialists in different telecommunication fields to exchange new research, knowledge and technical expertise. The discussions will contribute to the creation of new ideas and trends in the development of telecommunications in Bulgaria. The conference takes place at the National Science and Technical Centre, 108 Rakovsky St., Sofia.

MAIN TOPICS

1. Telecommunication networks. Cloud computing communications. Network functions virtualization.
2. Intelligent Transport Systems. Optical communications.
3. Wireless systems – 5G, mobile and satellite communications, wireless access, cognitive radio.
4. Software defined networks. Big data networking.
5. Teletraffic engineering. Quality of Service (QoS) - provision and management.
6. Internet of Things (IoT). Smart home and cities. eHealth. Better living with ICT.
7. Communication issues, supercomputers, artificial intelligence, machine learning.
8. Communication circuits, signals and systems. Image processing and coding.
9. Electronic communications, policies and regulations. Digital switchover.
10. Cybersecurity. E-governments.
11. Economics and marketing of electronic communications. Postal services.
12. Education in the field of telecommunication.

SPONSORS

Sponsors of the TELECOM 2021 are leading firms, companies working in the field of telecommunications.

COMPANY PRESENTATIONS

Companies can apply for presentation of their products within the program of the Conference or for display of advertisements. The time allotted for the presentation is 20 min for each Company. The fee for advertisements is Euro 100 for one coloured page size A5. The fee for advertising leaflets to be distributed with the Conference materials is Euro 25. Please, apply using Reply (form B) by October 22, 2021.

20% discount is applied for Companies of the Sponsors.

EXHIBITION

During the Conference, an exhibition is organized, presenting the latest technical news and developments in the field of telecommunications (software, technologies, services, etc.). Applications for participation can be made by filling Form B by October 22, 2021.

PARTICIPATION IN THE CONFERENCE

Prospective authors are invited to prepare and record papers on the below listed topics. Each author can participate in at most two papers.

A maximum four pages paper should be recorded on the conference site after registration. The papers should contain: title, authors' names, contact information, short abstract, keywords, main contents and references. Each paper will be reviewed by two reviewers. Accepted and presented papers will be published in the conference CD proceedings and submitted to the IEEE Xplore Digital Library, as well as for indexing in Scopus and Web of Science.

The authors can also submit reports in Bulgarian, which will be published on a separate CD and will not be included in the IEEE Xplore library.

TELECOM 2021 will be technically Co-Sponsored by IEEE.

(IEEE Conference record #53156)
